

7910 Bellowsflex "A" Coolant, Marine, Fuel Hose

This incredibly versatile hose is used in applications where wire reinforcement is required to provide great flexibility and resist kinking. Considered an industry standard, some of its applications include bilge ventilation, bilge pump intake and discharge, toilet and bath connections, cabin heating, internal water systems, galleys and drains.

Primary Benefits:

- Versatile - hose for marine applications (coolant, fuel, air, water)
- Rated to full vacuum
- Easy to use – flexible, resists kinking
- Convenient Packaging – available in a wide variety of ID sizes and cut lengths
- Longer Single Piece Lengths than competition

Primary Industries:

- Distributors that service marine applications, marine boat OEM, marine retailers

Primary Applications:

- General purpose hose used to convey coolant, fuel, air and water in marine environments
