

AUTOMOTIVE AIR BRAKE

Air Brake hose is engineered to convey air in truck and trailer brake systems and is designed for truck and trailer manufacturers, aftermarket packagers and wholesalers. This hose is certified to meet D.O.T. FMVSS 106 and meets SAE (Society of Automotive Engineers) standard J1402A requirements. This kink proof hose features an EPDM tube and cover with 4-spiral reinforcement making this hose virtually kink proof.
